Message from the Principal

Dear Students , Parents and Guardians,

The Journey we embarked for the academic year 2022-2023 has come to an end. It is a good time to reflect on what we have achieved, what went well, what more we need to do! We shall evolve and raise our bar to the next level & update upon some important changes. Looking forward to an even more exciting & successful academic year 2023-2024.

Firstly, I would like to thank you all for your consistent support towards the learning & curricular progression of the school. Without you working with us together we could not have achieved so much. It certainly was not the end to the academic year that we were expecting, but we have coped with many challenges and changes that occurred. We are incredibly impressed with all your efforts to have meaningfully got engaged for the successful completion. All the newsletters, social media posts, circulars and messages shared with you over the year are evidence to the interactive learning happening with productive outcomes in the class and beyond the curriculum.

This newsletter for the final term speaks volumes about our students' skills and plethora of activities, events and initiatives undertaken in the final term. It has been very exciting to see the progress the students are making in all areas of the curriculum, with parents and teachers reporting on the successes in the classroom.

Over the summer break our students will continue their learning and all parents are advised to kindly encourage their children to complete as many online study ladder program activities as they can as this would help them enrich their numeracy and literacy skills for the next academic year.

Finally wishing you all a very happy and safe holidays!
Enjoy and come back refreshed!

From your ever-loving principal!

Saleema Mahmoodi

ZAKHER PRIVATE SCHOOL KG GRADUATION CEREMONY 2023

Graduation is an exciting time. It is both an ending and a beginning. It is a warm memory of the past and a big dream for the future. Zakher Private School - British Division organized the Graduation Ceremony for the students of Kindergarten on 3rd June 2023 at Ayla Grand Hotel - Al Ain.

All the students were involved in the graduation celebration with great joy and fervor. Our graduates are moving on to new discoveries, new accomplishments along with the knowledge and life skills learnt, which we shared together and this was all worth celebrating with their loving and supportive parents & nostalgic reminiscences in their life!

CONGRATULATIONS!
