Principal's End of Term Message

Dear ZPS Students and Parents,

As we conclude another enriching term, I extend my heartfelt gratitude to our students for their dedication and to our parents for their continuous support in fostering a strong learning community. Your engagement in school activities and initiatives has been invaluable, and we truly appreciate your commitment to our shared goals.

Looking ahead, we are excited about the initiatives planned for the upcoming term. The GL PT test will take place in May, providing an opportunity to assess and enhance our students' academic skills. Additionally, academic progression will be mapped by the end of Term 3, ensuring a clear understanding of each student's development and achievements.

We look forward to welcoming our students back for Term 3 on April 14th, ready for another term of learning, growth, and success. Your continued collaboration and involvement in school activities will remain essential in making this a fruitful term for all.

Finally, as we approach the joyous occasion of Eid Al Fitr, we extend our warmest wishes to the entire ZPS community. May this Eid bring happiness, prosperity, and blessings to you and your families.

Happy Eid Al Fitr!

Best regards,

Mrs. Saleema Mahmoodi
